

Marys Lake Lodge Southwest Airlines Promo Press Release

Marys Lake Lodge offering [Estes Park, CO lodging](#) is proud to announce its selection as a feature destination being highlighted by Southwest Airlines and the Colorado Department of Tourism.

Southwest Airlines chooses a different city near one of the 64 places they fly into to highlight as a feature destination. This prestigious honor was most recently given to Marys Lake Lodge. The Colorado Department of Tourism chose Estes Park and partnered with the Estes Park Convention & Visitors Bureau to select the perfect mountain property from very specific criteria. With their recommendation the CVB stated, "With its rustic log architecture, the lodge on the property is a historic property that characterizes a Colorado mountain haven. For those desiring new, upscale options, Marys Lake Lodge also features log-sided condominiums."

The promotion will be available on Southwest from April 15th – 21st of 2008 online for travel through August 31st, 2008. Marys Lake Lodge will also be advertised as the featured destination in the weekly Click 'N Save E-mail. Email reaches more than six million travelers and will be sent on April 15th.

Marys Lake Lodge of Estes Park, Colorado is just a short drive West toward the mountains from the Denver International Airport. Estes Park is home to many attractions for the whole family such as [Rocky Mountain National Park](#) and offers an abundance of other activities for outdoor enthusiasts as well.

Marys Lake Lodge is a resort destination that boasts fully restored lodge suites and luxurious condos and includes an on-site world-class spa that fits the bill for those looking for an indulgent, relaxing getaway to the mountains. There are also two different restaurants on the property that offer guests convenient gourmet cuisine and the outdoor heated pool and hot tub welcome back travelers after an exciting day of exploration.
